ABOUT

Sea Ray 350 Slx Ob

2020 Sea Ray 350 SLX-OB

This 2020 Sea Ray 350 SLX-OB is a well-equipped 35' that offers a great combination of performance, comfort, and versatility. With twin Mercury 350 HP Verados, a cabin below deck, and a long list of desirable options, it has much of what boaters are looking for without the price tag of a comparable new boat.

Power comes from twin Mercury 350 Verado outboards with approximately 380 hours. The outboard setup provides strong performance while keeping routine service and maintenance straightforward.

Below deck, the cabin includes the berth upgrade, giving the boat overnight capabilities in addition to the spacious open-bow and cockpit layout the 350 SLX is known for. Whether you're spending the day on the water, entertaining friends, or planning an overnight trip, this boat gives you plenty of flexibility.

The boat is equipped with a Simrad Select Response 12" dual-display electronics package, along with an opening canvas section in the fiberglass hardtop. Other notable options include underwater LED lighting, SeaDek throughout the cockpit, bow, and swim platform, a shore power package, and a stainless steel anchor.

The exterior and interior are finished in a clean white and blue color combination.

Highlights

Twin Mercury 350 Verado outboards — approximately 380 hours

Cabin below deck with berth upgrade

Simrad Select Response 12" dual display

Fiberglass hardtop with opening canvas section

Underwater LED lighting
