Sea Ray 370 Sundancer Outboard

147 HOURS!!! SEAKEEPER!!!

2022 Sea Ray 370 Sundancer | “Holy Diver”

Meet “Holy Diver,” a beautifully equipped 2022 Sea Ray 370 Sundancer that offers an exceptional combination of luxury, performance, and versatility. Kept under cover on Lake Lanier and powered by triple Mercury 300 V8 outboard engines, this 370 Sundancer has just 147 hours of logged engine time.

“Holy Diver” is loaded with desirable options, including a Seakeeper gyro stabilizer, providing an added level of comfort and stability while cruising or enjoying time at anchor. The triple 300 V8 outboards provide plenty of performance while maintaining the versatility and accessibility that make the outboard powered 370 Sundancer such a popular choice.

The spacious cockpit is designed for entertaining and relaxing with family and friends, while the thoughtfully appointed cabin provides comfortable accommodations for overnight stays and extended weekends on the water.

Having been kept under cover and enjoyed on Lake Lanier, “Holy Diver” presents a great opportunity to own a late model Sea Ray 370 Sundancer with low hours and an impressive list of equipment.

Even more compelling is the value. “Holy Diver” is being offered at a fraction of the price of a new 370 Sundancer, giving the next owner the opportunity to enjoy a late model, highly optioned Sea Ray without the cost of buying new.
