Incredible Opportunity: Sea Ray 400 Sedan Bridge – Fully Refitted and Like New!

This beautifully maintained Sea Ray 400 Sedan Bridge is a true gem! With only two owners and a comprehensive full refit recently completed, this boat has been exceptionally cared for throughout its life. From the engine room to the bilges, interior, and paint, everything shines as though the boat just left the factory.

Originally built for a Sea Ray executive, no expense was spared in its construction. The quality is immediately evident when you step aboard. The boat spent most of its life in fresh water and was only brought to Florida last year. Since the $400K refit, the current owner has only added 100 hours to the engines.

At 40 feet, the Sea Ray 400 Sedan Bridge offers a spacious 2-stateroom, 2-head layout, perfect for everything from sandbar trips to Bahama getaways. Whether you're cruising or entertaining, this boat handles it all with ease and style.

The knowledgeable owner has an open checkbook policy, ensuring that every upgrade and maintenance item is done to the highest standard. A full file of over 1,000 pictures documenting the refit process is available for interested buyers. This boat is turn-key, in pristine condition, and ready for immediate enjoyment. She will pass inspection and survey with flying colors.
