ABOUT

Sea Ray 410 Sundancer

The 2017 Sea Ray 410 Sundancer is an exceptional combination of luxury, performance, and cruising capability, and this example has been exceptionally well cared for. Powered by twin Cummins diesel engines with approximately 570 hours, she offers the power and efficiency needed for comfortable coastal cruising while maintaining the premium accommodations Sea Ray is known for.

One of the standout features of this 410 Sundancer is the custom submersible swim platform, making it incredibly easy to launch water toys, enjoy the water, or board from the swim platform. The Joystick Piloting provides excellent maneuverability around the dock and makes handling this 40-foot cruiser considerably easier.

Below deck, the two-stateroom layout provides comfortable accommodations for extended weekends and longer trips. The master stateroom offers privacy and comfort, while the twin-berth guest stateroom is perfect for family or friends. The cabin is equipped with air conditioning, while cockpit A/C keeps the outdoor living space comfortable during warm summer days.

The boat is also equipped with a generator with approximately 570 hours, allowing you to enjoy the comforts of home while away from the dock. Additional highlights include a VacuFlush head, Fusion stereo system, and a spacious cockpit designed for entertaining and relaxing.

This is a very clean, well-maintained, turn-key 410 Sundancer that is ready for her next owner. Whether you're looking for a comfortable weekend cruiser, a capable coastal boat, or a yacht for extended family getaways, this Sea Ray offers an impressive combination of luxury and functionality.
