ABOUT

# Beira Mar

LOCATION

Cocoa, Florida, United States

The Sea Ray 420 Sedan Bridge (called 44 Sedan Bridge in 2006–09) combines the bold, cutting-edge styling and lush accommodations boating enthusiasts have come to expect in late-model Sea Ray yachts. By any standard, the 420 is a strikingly handsome design both inside and out. Wood floors, oversized windows, and plush Ultra leather sofas are just a few of the luxuries found in the spacious cabin. A raised dining area provides a panoramic view of the outdoors, and deep-pile carpeting and high-gloss cherry cabinets highlight the decor. Below, a small guest cabin to port has twin single beds, while the forward master stateroom features a queen-size island berth with lots of storage in drawers and closet space. A Splendid combo washer/dryer unit is hidden under the galley stairs. Both head compartments are fitted with shower stalls. A sliding glass door opens to the cockpit with its walk-through transom, transom bench seat, and molded flybridge stairs. Offering good visibility fore and aft, the extended flybridge includes a large U-shaped aft seat with removable table. Cummins 6CTA 8.3 430hp diesels cruise the 420 Sedan Bridge in the mid 20s and reach about 30 knots top.
