NEW TO MARKET AND WONT LAST LONG!!

2003 SEA RAY 480 MOTOR YACHT

This Sea Ray 480 Motor Yacht HAS BEEN FRESH WATER KEPT UNTIL 2024! She features many notable upgrades, additions, and spare parts that truly make her turnkey and ready for cruising. She is powered with twin, low hr (1500) Cummins diesel engines for unparalleled performance, fuel efficiency, and reliability.

Manufacturers provided description:

The Sea Ray 480 Motor Yacht features quiet, twin 635 horsepower Cummins engines providing a stealthy departure (no wake, of course). For entertaining, the large aft deck has a wetbar with an icemaker, as well as a Clarion AM/FM CD with six-disc changer, four speakers, and a remote control. A fiberglass hardtop protects passengers from the elements, and textured steps lead to the swim platform with concealed stainless steel three-step ladder. The walkways leading to the foredeck are wide and textured for safe passage, and a cushion turns the area into a large sunpad. Down below, a full-size bed with innerspring mattress is the focal point of the forward stateroom. A portside storage cabinet with drawers, and a starboard full-length hanging locker with lights and beveled mirrors, provide storage. There?s also a 13-inch TV / VCR / radio combo, as well as private access to the main head compartment. Two acquaintances can stay quite comfortably in the twin berths of the guest stateroom. Filler cushions will convert the berths into a king-size bed. The forward head compartment features a VacuFlush head, a solid-surface vanity countertop with sink, a Grohe faucet, and a shower with seat, adjustable shower wand, and removable teak grate. The aft master stateroom features a queen-size bed, a full-length cedar-lined hanging locker, a built-in nightstand, a large built-in storage unit with storage shelves and drawers, as well as a 20-inch TV / VCR / radio combo. The starboard vanity with sink and plenty of storage, separates the private head with VacuFlush toilet from the private shower with seat and adjustable shower wand. The galley of the 480 Motor Yacht makes wonderful use of space with a custom molded fiberglass countertop, sink with Grohe faucet,

recessed three-burner stove, microwave / convection oven, coffeemaker, and a refrigerator / freezer. A washer / dryer combo is located in the step storage compartment.

Notable Features & upgrades:

• Twin Cummins diesel engines (<1500 hrs)

• Westerbeke 12.5 kw diesel generator (<1000 hrs)

• Upgraded Garmin electronics

• Spare set of propellers

• Bow and stern thrusters

• Upgraded soft goods and Canvas throughout

• New cockpit enclosure (2024)

• New carpeting with Sunbrella style runners

• Aftermarket window treatments

• Immense storage throughout

• Recently serviced and detailed

• Newer cutlass bearings

• New Bow Thruster batteries

• Cockpit air conditioning

• 3 Fireboy CO2 detectors

• Rule bilge pumps throughout
