A little about this L650 Flybridge. She is powered by Twin Caterpillar Twin C-18 1150 HP Diesel Engines with Only 1110 (Hours) . A Survey was conducted on January 17, 2024 and report is available to review. The Aft Cockpit has Teak deck which all has just been refinished. Additionally there is an Electric Grill , Refrigerator and Helm Docking Station. The Bridge access via stairs is to the port side and Engine room access is via deck hatch. Access to the Forward deck area can be access from both port and starboard deck sides. The Bow is spacious with wrap around lounge seating. Once inside the main Salon thru the large glass sliding doors you have a view of the spacious area with L Shape sofa area with a coffee table and built in cabinetry as well a Love Seat to your port side.

The Galley is located Midship salon and is well equipped with a four drawer style Fridge/Freezer and a separate Wine Cooler. The Convention Microwave, three Burner Electric cooktop, dishwasher and double bowl sink makes it just like home. To finish off the area is a starboard side Dining table with wrap around seating and a raised bar with two bar stools.

Down Stairs is where you will find a Double Twin Convertible Cabin with separate day head and sink, toilet and shower enclosure. Opposite to Port side you'll find another Twin convertibale Cabin.

Forward to the V-Berth is the VIP cabin with a Queen size bed and suite head with toilet,sink and shower enclosure. To the aft is the OWNERS cabin with a Queen bed, built in cabinetry , refrigerator and suite bath with double sinks , toilet and shower enclosure. There is a washer and dryer located outside the cabin area.

This L650 Flybridge offers Two Helms stations, one in the main salon starboard side with Full Electronics - Dual Raymaine Axiom MFD, Cat Engine displays, Sea Ray system monitors , Joystick and throttle shift controls. This gives the captain the option to operate the yacht from inside or on the upper bridge. Up the stairs to the bridge deck are two large tables with wrap around and beach seating , another electric grill, refrigerator, ice maker, convertible top and aft sun shade and forward lounge area. With the second Helm station located on the port side again is equipped with dual Raymarine Axiom MFD screens, Cat Engine displays, Sea Ray systems monitors , joystick, vhf and throttle and shift controls.

To Enjoy the Smooth, Comfortable and Stable ride there are Two Seakeeper Gyro Stabilizers, which ensures the comfort for even the fair weather guest. The Vessel is Captain maintain and there has been NO Expense spared in maintaining this vessel to the highest of the Owners expectations. The maintenance has been on a routine scheduled and it shows.
