ABOUT

Sea Ray Sdx 230

Discover the perfect balance of luxury and athleticism with the 2026 Sea Ray SDX 230 (Stock #216622), a premium deck boat engineered for those who refuse to compromise on space or performance. Powered by the potent Mercury MerCruiser 6.2L MPI engine with Bravo Three drives, this model delivers the stability and torque needed for effortless cruising and high-performance watersports at MarineMax Grand Lake.

• Engine: Mercury MerCruiser 6.2L MPI DTS BR3 (300 HP)

• Trades: Trades considered (Boats only)

• Location: Available at MarineMax Grand Lake

• Mercury 6.2L MPI Engine: Features Digital Throttle & Shift (DTS) for smooth, immediate response and precision control.

• Bravo Three Drive: Dual counter-rotating propellers provide superior tracking, easier docking, and enhanced lift.

• Deep-V Hull: A 21-degree deadrise at the transom ensures a smooth, confident ride even in significant chop.

• Self-Bailing Cockpit: Water drains naturally off the deck, keeping the interior dry and simplifying end-of-day cleanup.

• Expansive Swim Platform: Integrated design with a concealed stainless steel ladder for seamless water access.

• Walkthrough Windshield: Provides a safe, easy transition between the social cockpit and the spacious bow lounge.

• Premium Hardware: Stainless steel cleats, grab rails, and cup holders provide long-lasting durability and a polished aesthetic.

• Ample Storage: Oversized compartments located under the seats and in the floor for boards, ropes, and life jackets.

• Social Seating Layout: U-shaped bow seating and an aft lounge designed to comfortably accommodate up to 13 people.

• Premium Marine Upholstery: High-quality vinyl treated for UV and mildew resistance to maintain a showroom look for years.

• Onboard Convenience: Strategically placed USB-A/C charging ports and 12V outlets keep all your devices powered throughout the day.

• Ergonomic Design: Deep internal freeboard provides a secure, "dry" feeling for all passengers while underway.

• 9" Simrad Digital Dash: A high-resolution touchscreen display with integrated GPS and SmartCraft Connect for total boat control.

• Power-Assisted Steering: Delivers effortless, automotive-style handling at both low speeds and wide-open throttle.

• SmartCraft Diagnostics: Real-time engine monitoring and system alerts integrated directly into the helm display.

• Premium Audio: High-output marine speakers and Bluetooth connectivity to provide the soundtrack for your lake days.
