ABOUT

Sea Ray Sdx 250 Outboard

Step aboard the 2023 Sea Ray SDX 250 Outboard, and get ready to fall in love with boating all over again. Finished in crisp white with a sleek black hull bottom, this SDX 250 turns heads before you even fire up the Mercury 300 V8 Verado outboard. With the digital VesselView Link 12" display right at your fingertips, running numbers and systems has never been easier — leaving you free to focus on the water ahead and the good times about to happen.

Slide open the cockpit and you'll find a thoughtfully designed space built for real on-the-water living. The SeaDek flooring underfoot (extending out to the swim platform) keeps things comfortable barefoot, while the stone-colored cockpit accents and teak cockpit table set the scene for a relaxed lunch or sunset snacks out on the water. Add in the sports tower with bimini top and full cockpit/tonneau canvas, and you've got shade and weather protection whenever you need it — because a good day on the water shouldn't be cut short by a little sun or a passing shower.

This SDX 250 isn't just about looks — it's outfitted for comfort too. Head below to find an upgraded head interior with pump-out convenience, plus the Elite Plus Package bringing an extra layer of refined comfort throughout. When the sun goes down, the blue LED lighting package and underwater lights transform the boat into a glowing centerpiece, especially paired with the premier stereo upgrade for a soundtrack as good as the view.

Based out of the Huntington area, this Sea Ray SDX 250 is perfectly positioned for a great mix of open water and scenic cruising. Head out into Huntington Harbour and enjoy the sights along its picturesque canals, or point the bow toward Huntington Beach Pier for a classic coastal run with the surf crowd and skyline as your backdrop. Whether you're anchoring for an afternoon swim off the coast, cruising past Sunset Beach, or just enjoying golden hour on the way back to the dock, this SDX 250 is ready to make every outing on the water an unforgettable one.
