ABOUT

Sea Ray Sdx 250 Surf

2025 Sea Ray SDX 250 Surf

The 2025 Sea Ray SDX 250 Surf is built for days when cruising, comfort, and watersports all need to come together. Powered by a MerCruiser ECT 6.2L MPI DTS producing 350 horsepower and paired with the Bravo Four S forward-facing surf drive, this SDX 250 Surf delivers the power and control needed for carving turns and enjoying a full day on the water. The Highline Appearance Package with a white finish and black hull bottom gives it a sharp, upscale look, while the black tower with tower speakers and accent panels adds a sporty edge. SeaDek throughout the cockpit and swim platform, RGB-W cockpit and underwater lighting, a black cockpit and tonneau cover, enclosed pump-out head, pressurized water system, bow washdown, transom sprayer, and Premier stereo with wireless charging make this a well-equipped boat for both action and relaxation.

Located at MarineMax Lake Lanier, this Sea Ray is perfectly positioned to take advantage of the expansive waters of Lake Lanier. Spend the day carving wakes, cruising along the scenic shoreline, or finding a quiet cove near Lanier Islands to swim and relax. When it's time to explore, the SDX 250 Surf's spacious layout and comfortable amenities make it easy to turn a quick outing into an all-day adventure. With 350 horsepower, forward-facing surf capability, tower-mounted audio, SeaDek comfort, and eye-catching RGB lighting, this Sea Ray is ready to bring a premium watersports experience to Lake Lanier.
