# Sea Ray Sdx 270 Outboard

2020 Sea Ray 270 SDX OB – Ready for Day-Long Fun on the Water

This 2020 Sea Ray 270 SDX OB delivers the classic Sea Ray blend of style, space, and confidence-inspiring performance in a versatile 27-foot sport deck package. With its wide 8’6” beam, deep 21° deadrise hull, and yacht-certified capacity, it offers roomy, comfortable seating for family and friends while still delivering a smooth, solid ride that Sea Ray owners love.

Sea Ray’s reputation for a soft, stable, and secure ride shines here. The hull planes effortlessly with mild bow rise, carves cleanly through chop with minimal spray, and holds a comfortable bank in turns without prop ventilation or excessive lean. It feels substantial and planted rather than skittish—more like a small yacht than a typical runabout—making it confident in varied conditions whether you’re cruising, pulling tubes or skiers, or just lounging at the sandbar.

Key features on this boat include:

• Sports tower (ideal forwatersports and shade with the integrated Bimini)

• Black hull for a sharp, modern look

• White Mercury 300 hp outboard – quiet, smooth, responsive power with strong acceleration and cruise speeds typically in the high 20s to low 30s mph range, and top speeds in the low-to-mid 40s

• Pump-out head with freshwater system for real onboard convenience

• Plus the expected Sea Ray amenities: spacious open-bow and cockpit seating, convertible sunpad/aft-facing lounger, abundant storage, swim platform with boarding ladder, and more.

Whether you’re looking for a reliable family entertainer, a capable watersports platform, or a stylish day boat that handles with composure, this 2020 Sea Ray 270 SDX is well-equipped and ready to go.
