ABOUT

Sea Ray Sdx 290 Outboard

The 2022 Sea Ray SDX 290 Outboard blends spirited performance with stylish comfort, perfect for adventures around the Somers Point area. With twin Mercury White 250 JPO V8 AMS engines, you'll enjoy smooth cruising and confident handling—whether you're gliding under the Somers Point Bridge or opening up the throttles through Great Bay. Navigation and communication are both easy and intuitive, thanks to the Digital Dash with Mercury VesselView Link 12" and a dedicated VHF radio. When you're ready to anchor at a local marina or settle in for sunset views, the windlass system with rope and chain, paired with a stainless steel anchor, provides stress-free mooring.

This Sea Ray stands out immediately with its sophisticated three zone gelcoat exterior in white, horizon, and black metallic. The black canvas accents and white sports tower with bimini shade enhance both the look and functionality—especially with fiberglass tower accent panels framing the whole ensemble. Seadek decking throughout the cockpit, bow, and swim platform adds comfort and style, while the teak cockpit table and a bow table with dedicated storage create inviting spaces to gather, dine, or relax after a day exploring the bayside coves. A cockpit cover with tonneau keeps everything protected when the day's over.

The lighting and entertainment options set a vibrant tone for any outing. With an LED lighting package, docking lights, and thru hull underwater lights, evenings become special—whether you're docked at a bustling marina or anchored near the lively waterfront. The premier stereo upgrade provides a rich soundtrack to your get-togethers, making celebrations and casual cruising feel like favorite local events.

Inside, your guests enjoy plush stone upholstery, reclining aft-facing transom loungers, and a bow filler cushion that adds extra lounge space. The upgraded head features a vacuum flush system and holding tank, offering the comforts of home while on the water. For ultimate convenience, a cockpit refrigerator keeps refreshments cold and an air compressor is on hand for water toys or floaties. Designed for easygoing days and lively evenings, the SDX 290 Outboard delivers a fantastic boating experience—bringing together performance, luxury, and fun, all against the picturesque backdrop of Somers Point's iconic bridges and marinas.
