ABOUT

Sea Ray Sdx 290 Outboard

The 2023 Sea Ray SDX 290 Outboard—a showstopper for days spent exploring the waterways around Somers Point. With its gleaming Quantum Blue hull and bold presence, this vessel turns heads as you slice across Great Egg Harbor Bay or idle near the Longport Bridge.

Sporting twin Mercury 250 outboards, you'll experience confident acceleration whether cruising out toward Ocean City or winding past the historic Somers Mansion. Navigation is effortless thanks to the Digital Dash with a crisp 12" VesselView Link display, keeping you informed as you chart a course to sunset at Kennedy Park.

Take in the views from under the Black Sports Tower with Bimini, which offers stylish shade for those sunny afternoons. The well-appointed cockpit features durable SeaDek flooring and Stone upholstery, with a Teak Cockpit Table ready for socializing and snacks. Enjoy your favorite tunes on the Premier Stereo Upgrade, complemented by tower speakers and an immersive Blue LED Lighting Package that sets the perfect vibe for an evening anchored off the Crab Trap.

After a quick swim off the easy-access swim platform, reach for refreshments from the cockpit refrigerator or mix drinks at the wet bar—great for gatherings as you take in the sights of Steel Pier twinkling across the bay. Onboard conveniences like the private, upgraded head compartment with vacuum flush, docking lights, stainless steel anchor and windlass, and an onboard battery charger make every outing relaxed and worry-free.

Rounding out the experience are practical features like fender clips, plenty of USB outlets, and a fold-down entry step—because when you're boating Somers Point, every detail matters. The 2023 SDX 290 Outboard is equally suited to family adventures, sunset cruises, or relaxing by your own private island in the bay, offering a blend of luxury, performance, and local spirit.
