ABOUT

Sea Ray Slx 280

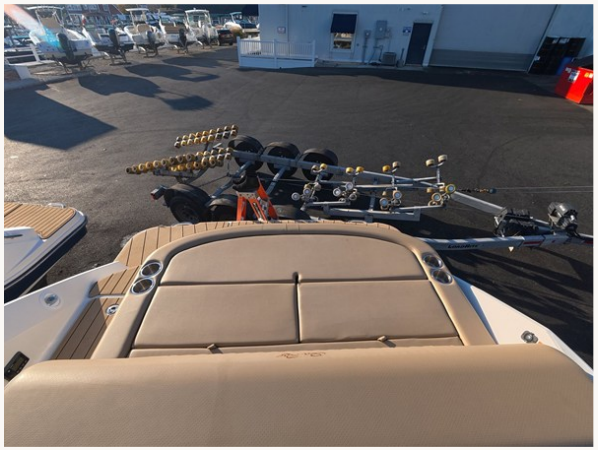

Finished in striking Blue Metallic with a crisp white gel stripe, this 2022 Sea Ray SLX 280 is built to turn heads cruising past the Somers Point waterfront or idling by Mother's Marina on a summer afternoon. Power comes from a MerCruiser ECT 8.2 MAG DTS stern drive putting out 380 HP, giving you plenty of muscle to get up on plane quickly and cross the Great Egg Harbor Bay with confidence. At the helm, the Simrad Select Response 12" chart plotter paired with VHF radio and Mercury VesselView Mobile keeps navigation and boat monitoring simple, whether you're running the channel toward Ocean City or exploring the back bays near Longport.

This SLX 280 is set up for a full day of fun on the water. The power tower with Bimini offers shade for the ride out past Rainbow Channel, while the ski tow and gas-assisted ski/wakeboard storage make it easy to pull someone up on the water near Great Egg Harbor Inlet. When it's time to cool off, the automated submersible swim platform and stainless steel 4-step swim ladder make getting in and out a breeze, and the side entry step adds one more easy access point for swimmers and water toys alike.

Comfort and finish are clearly a priority here too. Teak tables at both the cockpit and bow give you plenty of room to spread out snacks or a meal while anchored off the Somers Point Bay Fest grounds, and SeaDek flooring across the cockpit, bow, and swim platform keeps things cool and secure underfoot. The Dune cockpit color and Brown flooring tie the whole interior together, while the carry-on cooler with dedicated storage and stainless steel drawer refrigerator mean drinks and snacks are always within reach.

As the sun sets over the bay near Ocean City, the blue LED lighting package and blue thru-hull underwater lights give this SLX 280 a glow that's hard to miss, and the premier stereo upgrade with power tower speakers keeps the evening's energy going strong. Whether it's a sunny day looping around Somers Point or a relaxed evening anchored just offshore, this boat is built to make every outing feel easy, social, and genuinely fun.
