Powered by twin optional Mercury 350 HP V10 outboards, this boat brings a combined 700 horsepower to your next coastal cruise. • Bow filler cushion creates an inviting place to stretch out and relax.

• Premier stereo upgrade with Sirius satellite radio capability supplies the soundtrack.

• RGBW LED lighting package with through-hull lights sets the mood when the sun goes down.

The fiberglass hardtop with an opening canvas section lets you tailor the overhead coverage, while the electric retractable sunshade adds welcome protection during long afternoons aboard. SeaDek in the cockpit and on the swim platform provides a comfortable surface underfoot, and the onboard air compressor for water toys makes gearing up for fun easier.

A dual 12" Simrad Select Response display anchors the helm, complemented by a VHF radio with antenna and docking lights. The rope-and-chain windlass with remote control, and stainless-steel anchor simplifies anchoring, while fender clips and a side-entry step add convenience around the dock.

Additional equipment includes a shore power package with converter and cord, inverter, cockpit and tonneau covers, gray water system, and macerator with seacock interlock.

With its bold styling, upgraded Mercury V10 power, joystick control, and exceptional entertaining amenities, this 2025 Sea Ray SLX 310 Outboard is ready to make your time on the water the best part of your week.
