ABOUT

Sea Ray Slx 310 Outboard

Twin 300HP White Mercury V8 E-Steer Outboards put serious muscle behind the 2025 Sea Ray SLX 310 Outboard, and they're matched with a Simrad Select Response 12" display and VHF radio with antenna so you're navigating with confidence whether you're threading out of Huntington Harbour or running the coastline toward the Huntington Beach Pier. The Sea Ray Blue hull with its Rally Red gel stripe makes a statement at the dock, and with E-Steer outboards handling the controls, maneuvering around the busy harbor entrance feels effortless even on a crowded weekend.

Out on the water, this SLX 310 is built to turn an ordinary afternoon into something memorable. Drop the stainless anchor using the rope/chain windlass just off Bolsa Chica State Beach and let the dune-colored cockpit soak up the sun, shaded by the extended sunshade and the opening canvas section built into the fiberglass hardtop. The Seadek flooring on the swim platform and cockpit means bare feet stay comfortable whether you're climbing back aboard after a swim or heading out for a morning cruise past the Huntington Beach jetty. And when it's time to pull a rider, the hardtop-mounted ski tow makes wakeboarding or tubing simple to set up.

As the day shifts into evening, the SLX 310 keeps the good times rolling. The RGBW LED lighting package with thru-hull lights turns the hull into a glowing centerpiece as you cruise back past the lights of downtown Huntington Beach, while the Premier stereo upgrade keeps the soundtrack going strong. The brown-toned flooring inside adds a warm, finished feel, and with the cockpit cover and tonneau cover on hand, protecting your investment overnight at the slip is quick and easy.

This boat doesn't just look good — it's outfitted for real days on the water. The 12V cockpit refrigerator and electric grill mean you can fuel up without ever heading back to shore, the air compressor keeps your water toys topped off and ready, and the macerator with seacock interlock system adds peace of mind for longer trips. Whether it's a sunset cruise along the Huntington coastline, a day of towing friends on the water, or just relaxing at anchor near the pier, the 2025 Sea Ray SLX 310 Outboard is built to make it effortless.
