ABOUT

# Sea Ray Slx 400

The 2022 Sea Ray SLX 400 is your ticket to living the best boating life in Huntington, New York. Powered by twin Mercruiser ECT 8.2 MAG HO AX BR3 engines, this SLX 400 is designed for smooth, lively cruising—whether you're gliding past the picturesque homes along Lloyd Neck or anchoring for a family swim off Crab Meadow Beach.

Navigation is a breeze with the Vessel View Mobile system, letting you monitor every detail of your trip right from your phone. Out on the water, the dynamic running surface adapts to Huntington Bay's changing conditions, delivering a steady, responsive ride on even the choppiest days.

This boat's appearance is as polished as the waters you traverse, with a striking Horizon full hull color, smart white gel stripe, and Marine midnight blue canvas. Step into the cockpit or onto the bow—every step feels great on soft Seadek decking, whether you're rinsing off after a dip or setting up for sunset cocktails.

Every feature is designed for friends, family, and fun. Flip on the blue LED lighting package as the sun dips behind the harbor for instant ambiance. Sink into plush stone-colored cockpit upholstery or fetch a cold drink from the dual refrigerator as you drift near the Huntington Lighthouse.

Dropping anchor is easy and secure thanks to the stainless steel anchor and powerful windlass system. And for those days where everyone's ready to take the plunge, the automated submersible swim platform means Huntington's coolest waters are just a step away.

Whether you're spending a lazy Saturday anchored off Crab Meadow, hosting friends at the marina, or taking a twilight cruise past Lloyd Harbor Beach, this SLX 400 transforms every day on Long Island Sound into a special occasion.
