ABOUT

Sea Ray Spx 190

2021 Sea Ray SPX 190 (Stock#224929)

The 2021 Sea Ray SPX 190 is a stylish, versatile bowrider that packs plenty of fun into a 19-foot package. Powered by a MerCruiser 4.5L MPI Alpha One sterndrive producing 200 horsepower with just 117.9 hours, this SPX 190 is ready for cruising, swimming, and watersports. The white and blue gelcoat, black rubrail with stainless-steel inserts, gray SeaDek swim platform, aft sunpad, folding black Bimini, snap-on black canvas cover, and wraparound windshield give it a sharp look while adding plenty of comfort for long days on the water. Inside, white vinyl seating, gray snap-in SeaDek flooring, stainless-steel cupholders, a Fusion Bluetooth stereo, blue LED courtesy lighting, and bolster-equipped captain and co-captain chairs create a welcoming setup for everything from a relaxing afternoon cruise to an energetic day with family and friends.

Located at MarineMax Nisswa in Minnesota's Brainerd Lakes Area, this SPX 190 is right at home on the region's popular waterways, including the Gull Lake Chain. Spend the day cruising toward Gull Point, exploring the bays and islands around Gull Lake, or enjoying a swim stop before heading toward the Nisswa area. The included black tandem-axle trailer with a 5,000-pound capacity also makes it easy to take the boat wherever the next lake adventure calls. With its low engine hours, 200-horsepower MerCruiser, Bimini shade, SeaDek, Fusion audio, and versatile seating layout, this Sea Ray is a great match for enjoying everything Up North boating has to offer.
