ABOUT

Sea Ray Spx 230

Set sail in refined performance aboard the 2023 Sea Ray SPX 230, where power and innovation unite for an ideal cruising experience around Somers Point. At its heart is the robust MerCruiser ECT 4.5L MPI DTS B3 engine, delivering crisp acceleration and smooth handling whether you're departing from the lively docks or picking up speed on the open bay. The helm features a state-of-the-art Digital Dash 9" display integrated with Mercury VesselView Link and MOB, putting navigation, engine data, and convenience confidently at your fingertips.

Style and practicality are front and center on this SPX 230. With its clean white hull and elegant white and black-champagne interior, this vessel offers a striking look as you glide past landmarks like Somers Point Harbor. Enjoy a comfortable ride under the shade of a sleek black canvas Bimini, with easy-to-care-for Infinity woven vinyl flooring underfoot. Gather friends for a picnic at anchor using the bow and cockpit tables, which tuck away into dedicated storage, or relax on the SeaDek swim platform built for safe, seamless water access.

As the sun dips lower on an evening cruise by the Bayfront Promenade, the blue LED lighting package creates an inviting atmosphere throughout the cockpit and swim platform. The Premier stereo upgrade ensures your favorite summer playlist sounds outstanding, whether you're hosting a gathering or simply taking in the sounds of the bay. Sumptuous dune upholstery, a 3-position port lounger, convertible aft sunpad, and bow filler cushion mean everyone aboard travels in style and comfort. For day-long adventures, the convenient pump-out head is always ready when you are.

With thoughtful safety and convenience features throughout, this Sea Ray is built to make every trip memorable and worry-free. Fire suppression, a reliable bilge pump, stainless steel cleats, and a handy ski tow eye inspire confidence and fun for all on board. The submersible swim step is ready for quick dips, and wakeboard storage with a gas-assisted lid means your gear is always close at hand. Cruise past the vibrant waterfront scene or slip gracefully under the Arthur P. Kill Bridge as the sun sets—the SPX 230 is your ticket to stylish, effortless adventures along New Jersey's scenic coastline.
