2019 Sealine F430 “La Vida Boca”

"La Vida Boca" is a low hour (380) Sealine F430 (LOA 44'5') that has been well maintained and lightly used. The Sealine F430 offers incredible amenities and versatility for a vessel under 45’. Combining European styling with a quality build, the Sealine F430 checks all the boxes. From the bow to the bathing platform, the Sealine F430 is full of exquisite refinements – there’s no more luxurious lifestyle in a 43-footer. You’re spoilt for choice when it comes to outdoor living, between the cockpit, the bow lounge and the highlight, the flybridge. Measuring nearly 45', this holds the class record by some margin. The outdoor grill with wet bar and two refrigerators is always within reach. The distinctive hull windows characterise the exterior and brighten the interior with natural light. Ample interior volumes allow up to three full double cabins – or two with a master cabin amidships. Fine leather, genuine slate wall panels, and furniture finished with piano lacquer add to the sense of total luxury.

The F430 features two fully-equipped barbecue islands. One at the stern and on the flybridge. Both grills are outfitted with a sink, pop-up lighting and storage space. The flybridge offers plenty of space for your entire family and guests. Here you have a range of enjoyable options – from sunbathing to barbecuing under open skies. Celebrate life on the water in full comfort. The bathing platform features hydraulics for easy lowering, and the steps automatically extend.

There are plenty of adjustable cushions to create the relaxing space you like. Two extra seats and atmospheric pop-up lights make this spot even more enticing.
