ABOUT

Atlass

LOCATION

Istanbul, Istanbul, Turkey

The 2019 SES Yachts 23M is a well-built semi-custom flybridge yacht designed for comfortable cruising and practical onboard living. Powered by twin CAT C12.9 engines (1000 HP each) with around 400 engine hours, she offers reliable performance and smooth handling.

She accommodates eight guests across four cabins, including a full-beam midships master, a VIP cabin forward, and two additional guest cabins, all with en suite bathrooms. Separate crew accommodation provides space for up to four crew members if required.

The interior is bright and functional, with a spacious saloon, a dinette, and a well-equipped galley featuring an island work surface, a hob, a fridge, a freezer, and good storage.

Outdoor areas include a cockpit dining space and a large flybridge with sunbeds, generous seating, and an additional helm station. Bow and stern thrusters, twin generators, and a hydraulic swim platform further enhance the yacht's practicality.
