Built by SES Yachts and delivered in 2007, SUNRISE is a 112-foot custom motor yacht that blends classic style with modern performance. Designed by Hasan Ulutas, this 33M yacht showcases top-tier craftsmanship, spacious living areas, and features made for extended cruising or entertaining guests in total comfort.

With a wide 25'6" beam, SUNRISE offers impressive volume throughout. She features five generously sized en-suite staterooms, including a full-beam master, and multiple indoor and outdoor lounging spaces. Her warm interior woodwork, large windows, and thoughtfully designed layout create a welcoming and elegant atmosphere for guests and owners alike.

Powered by twin MTU 12V M70 engines, she cruises smoothly at 11 knots with a top speed of 16 knots and has a long cruising range of up to 1,500 nautical miles. The yacht is equipped with a full suite of navigation electronics from SIMRAD and Furuno, along with onboard safety systems like a GIANNESCHI fire detection system and automatic fire suppression in the engine room.

Entertainment and day-to-day comfort are fully covered with a Bose sound system, satellite TV, and a well-equipped galley with Gaggenau appliances, Liebherr refrigeration, and even a Nespresso coffee machine. The separate crew area includes accommodations for five, complete with private heads and a dedicated crew galley and pantry.

SUNRISE is a rare opportunity to own a custom yacht that offers space, reliability, and timeless style- all in a package ready for long-range adventures or hosting in style. Whether you're planning to cruise privately or explore charter opportunities, SUNRISE delivers on all fronts.
