ABOUT

Libertas One

LOCATION

Delray Beach, Florida, United States

This 2021 Sichterman Libertas 54 is an elegant, high-performing yacht that merges top-tier design with advanced engineering. Designed by Cor D. Rover and built with Van Oossanen's Fast Planning Hull, this yacht ensures efficiency and stability at all speeds. With its twin Volvo Penta IPS 950 engines, each generating 725 horsepower and totaling 1,450 HP, the Libertas 54 offers impressive performance, reaching a top speed of 38 knots and cruising comfortably at 32 knots. All services and maintenance are up to date.

Equipped with lots of technology, the Libertas 54 features Raymarine navigation displays, including GPS, radar, and autopilot, paired with Volvo Penta's digital monitoring system. Joystick steering makes maneuvering seamless, even in tight spaces, combined with an oversized bow thruster.

The interior and exterior spaces are thoughtfully crafted for luxury and comfort. The main deck provides spacious seating, including a pilot and co-pilot seat, an L-shaped sofa with a table, and an additional sofa under a sleek Bimini top with lots of shade. The lower deck features a double bed, a fully equipped galley, a bathroom with a separate shower, and an open seating area with sofas, tables, and a wine cellar. A Sonos sound system, hydraulic passerelle, and Seakeeper 9 stabilizer add to the luxurious amenities onboard, ensuring smooth sailing and easy access to the water. Additional features include an onboard air compressor, air conditioning, hydraulic hatches, tropical a/c, windscreen wipers, adjustable seats, indirect lighting, underwater lighting, Pepwave internet, and a dedicated garage for water toys, making this yacht perfect for extended adventures or weekend getaways (To name a few!).

The boat is in excellent condition, is available now in Delray Beach, and is ready for showings.
