Melissa

LOCATION

Imperia, Liguria, Italy

Introducing Melissa a 2022 Silent 60 solar-electric power catamaran. Melissa offers a rare opportunity to step into the Silent world of solar-electric yachting right away, without the multi-year wait of a new build. Meticulously maintained by her current owner, who is upgrading to a larger Silent Yacht model, Melissa offers the rare chance for her new owner to enjoy a “near new” Silent 60, one of the most advanced, self-sustaining cruising yachts on the water today. Designed for families, adventurers, and environmentally minded cruisers, or those that that just love having the very latest tech, this yacht blends sustainability, long range autonomy and luxurious liveability in a way few vessels can match.
