ABOUT

Silent 62

LOCATION

Fort Lauderdale, Florida, United States

This is an industry changing yacht. The benesits of electric propulsion are many and have been proven in the auto industry, Silent Yachts is doing the same in the marine industry. The difference is a Silent Yacht carries it's own charging station on board...A charging station thats powered by the sun!

As the successor to the Silent 64 (the first ever solar powered production yacht to cross the Atlantic Ocean during January of 2018), the 60/62 Series is equipped with some of the most refined, efficient and cutting edge technology available today. Being a multi-award winner, including the prestigious "Best of Boats Award" in the category of 'Best for Travel' and now nominated for the 2025 multihull of the year, she embodies solar electric yachting in its purest form. Customers have the unique ability to customize their own bespoke yacht, with the layout, equipment and features that work best for them. T his groundbreaking self sustaining yacht is at the forefront of reshaping the yachting industry.
