This vessel, under the previous owner, experienced water intrusion due to generator hose failure. That issue has been repaired.

Specs The 39 Silverton's low profile and wide stance make for a spacious interior and an excellent ride. The Silverton 39 Motor Yacht measures 43 feet 7 inches in overall length and has a 14 foot beam.

Salon & Galley The interior provides a warm, inviting atmosphere with a pair of L-shaped seating areas on either side of the salon. The settee to starboard converts to a double berth, and its aft leg makes an excellent lounger for watching TV or listening to the stereo. A large dining area is located forward and port and a coffee table serves the starboard seating area. The 39's salon provides windows on three sides filling the room with natural light throughout. There are opening windows throughout the vessel, some with screens, as is the companionway to the cabin. So whether its fresh air or A/C this vessel has you covered.
