ABOUT

Nivasa

LOCATION

Fort Lauderdale, Florida, United States

This Sirena 68 is an exceptionally well-maintained Sirena 68 that has been actively cruised and thoughtfully upgraded by experienced owners. Having recently returned from more than 100 consecutive days in the Bahamas, she represents exactly what the Sirena concept was designed for: comfortable long-range cruising combined with the ability to cover distance quickly when needed.

One of the defining characteristics of the Sirena 68 is her versatility. At displacement speeds around 10 knots, she is capable of approximately 1,200 nautical miles of range. When weather, schedules, or changing plans require more speed, her twin Volvo D13 1000 hp engines allow comfortable cruising in the mid-teens and speeds exceeding 20 knots.

Built to CE Category A Ocean standards, the Sirena 68 offers the confidence and capability for serious cruising while maintaining the volume and comfort expected from a modern luxury yacht. Wide side decks, high bulwarks, excellent visibility from both helm stations, and substantial storage throughout make her particularly well suited for owner-operators and extended time aboard.

The layout features four staterooms and three heads, including a full-beam master suite, spacious VIP stateroom, twin guest cabin, over-under bunk cabin, dedicated laundry area with separate Miele washer and dryer units, and crew accommodations aft with private access.

The salon and galley are bright and open with excellent visibility, full-size domestic refrigeration, dishwasher, oven, cooktop, wine cooler, and abundant storage for extended cruising. Outside, the yacht offers multiple entertaining spaces including a large aft deck, expansive flybridge, comfortable bow lounge, and oversized hydraulic swim platform.

Notable Features:

- Yacht Controller remote docking station
- CE Category A Ocean Classification

- Twin Volvo D13 1000 hp Engines with Shaft Drives
- Approx. 1,200 NM Range at 10 Knots
- Cruise Speed Approx. 16 Knots
- Top Speed Over 22 Knots
- Volvo Joystick Docking System
- Bow and Stern Thrusters
- Seakeeper Stabilization
- Twin Cummins Onan Generators
- Watermaker
- Four Stateroom / Three Head Layout plus large crew quarters with head, shower, and galley
- Full-Beam Master Suite
- Separate Miele Washer and Dryer
- Starlink plus WiFi Extenders
- Crew Quarters for two with Private Access
- Hydraulic Swim Platform
- Flybridge BBQ, Refrigerator, Ice Maker and Wet Bar
- Full-Size Miele Galley Appliances and Wine Cooler
- Large Garmin Electronics Package
- Large Commercial Duty Frigibar Freezer
- Maintained by full-time Crew
- New Miele Dryer , February 2026
- extended warranty to 2,000 hours or 4/28/27

She represents an excellent opportunity for buyers seeking a modern cruising yacht with genuine long-range capability, impressive interior volume, and the flexibility to cruise efficiently or travel at speed when conditions demand.

She has completed a yard maintenance period in June 2026 (see details below) and is ready to cruise.
