ABOUT

2024 Southerly 48

LOCATION

Charleston, South Carolina, United States

Performance, quality, and sheer luxury are rooted in the DNA of the Southerly 48, as you would expect from a team with the experience and expertise of those at Ocean Shipyard. An imposing design beautifully styled, sleek, powerful, and thoroughly modern, her quality of construction and finish stands out amongst the mass of production boats. She is a testament to the proudest traditions of British luxury yacht building. An exceptional yacht that will be enjoyed and appreciated by the whole crew.

The Southerly 48, built with a variable draft swing keel, twin rudder arrangement, and substantial skeg, provides the impressive stability and performance required for a bluewater sailing yacht. While at the same time allowing for exploring of anchorages and harbors no other boat this size could access, this is thanks to the just 3' 3" draft when the keel is fully up.

The Southerly range includes the Southerly 42 and Southerly 48. Each yacht is built to order.

Full specifications
