The Southport 30 FE combines a larger more spacious deck layout with the comfort Southport is known for. The 30 FE offers the best of both worlds by combining a large on-deck feel and offshore capabilities in a mid-sized center console package.

The design increases space on deck and adds modern touches to the layout. The 30 FE offers increased aft and forward cockpit space for fishing and entertaining, with some all new features including insulated transom fishbox (in addition to the classic in-deck fishboxes), newly designed mezzanine seating, rear swim decks, and an even more comfortable console interior.
