ABOUT

Coolr

LOCATION

Cogolin, Provence-Alpes-Cote-d'Azur, France

The Steeler Bronson 65 “COOLr” is an award-winning fusion of a high-performance cruiser and a luxury entertainment hub. Crafted in high-grade Dutch aluminum, this 2025 model stands out for its bold, "cabriolet" design and its ability to transition from a sleek offshore performer to an open-air party venue.

Key Highlights • The "Party" Piece: It features an industry-first electrically adjustable high-low roof and a built-in Pioneer DJ console , effectively turning the deck into a floating stage.

• Power & Stability: Equipped with Twin Volvo Penta IPS 1350 engines , it hits a blistering top speed of 35.5 knots . To keep things smooth at anchor or at sea, it’s fitted with a Seakeeper 9 gyroscopic stabilizer .

• Voluminous Interior: Despite its sporty silhouette, the cabin offers a surprising 2.4 meters (8 ft) of headroom , accommodating 8 guests for day trips and providing overnight luxury in two spacious cabins.

• Effless Utility: Includes a hydraulic bathing platform and an integrated tender garage, ensuring that water sports and shore transfers are seamless.
