ABOUT

Stingray 214LR

2021 Stingray 214LR

The 2021 Stingray 214LR is a sporty, versatile bowrider that brings together performance, comfort, and plenty of room for a day on the water. Powered by a Yamaha 200 SHO VMAX, this Stingray has the muscle for cruising and watersports while remaining easy to enjoy with family and friends. The wraparound bow seating, portside lounge, aft seating, and helm bucket seat with flip-up bolster give everyone a comfortable place to ride, while the integrated swim platform and telescoping stainless-steel ladder make swimming stops easy. A bimini top provides shade, and the Bluetooth marine stereo, LED cockpit lighting, removable cooler, freshwater sink, enclosed head, and generous storage add the practical touches that make longer outings even better.

Located at MarineMax Lake Wylie, this Stingray is perfectly positioned to explore one of the Carolinas' favorite boating destinations. Cruise across Lake Wylie, take in the scenery around the Buster Boyd Bridge, or head toward the shoreline near Copperhead Island for a relaxing change of pace. When it's time to play, the transom ski tow eye and Yamaha 200 SHO VMAX are ready for watersports, while the spacious bow and cockpit make a great home base for swimming, relaxing, and enjoying the sunshine. Whether you're spending the afternoon exploring the lake or winding down with a sunset cruise, the 214LR is a fun, capable boat built to make the most of Lake Wylie's summer boating lifestyle.

Experience Peace of Mind

When you purchase from MarineMax, enjoy a full fuel tank and a Go Boating Gear kit to ensure your safety on the water. Benefit from exceptional service, no-hassle financing and insurance, and expert guidance through various boating classes. Join a community that celebrates the joy of boating through events and adventures, making lasting memories.
