ABOUT

Streamline 35 Spartan

TRIPLE MERCURY RACING 300R | 900 HP | SEAKEEPER RIDE | MIAMI, FL

This 2024 Streamline 35 Spartan R delivers an impressive combination of high-performance boating, offshore capability, and comfort. Powered by triple Mercury Racing 300R outboards producing a combined 900 horsepower, this 35-foot center console is built for those looking for serious performance without sacrificing versatility.

Equipped with Seakeeper Ride , an advanced underway stabilization system designed to reduce pitch and roll, this Streamline offers an enhanced running experience, particularly when navigating changing offshore conditions.

With its aggressive profile, clean white hull, and spacious deck layout, the 35 Spartan R is equally suited for offshore fishing, cruising to the Bahamas, or spending the day entertaining friends and family on the water.

Performance & Technology

The triple Mercury Racing 300R engine package is one of the standout features of this vessel. Combined with the Seakeeper Ride stabilization system, this Streamline offers a performance-focused setup designed to deliver an exciting yet controlled running experience.

The helm features Garmin multifunction displays, a protective hardtop, and an ergonomic console layout with navigation and vessel information within easy reach.

Versatile Layout for Fishing & Entertaining

Forward, a large upholstered sun lounge provides a comfortable place to relax, while the open walkaround layout allows for easy movement throughout the boat.

The spacious aft cockpit offers generous deck space, integrated rod holders, multiple in-deck storage compartments, and transom seating. Whether you're preparing for an offshore fishing trip or spending an afternoon at the sandbar, the layout provides the flexibility to do both.

The combination of comfortable seating, functional deck space, and premium performance equipment makes this Streamline a great option for boaters who want one vessel capable of handling a variety of activities.

Engine Warranty until 2027.
