This beautifully maintained Sunreef 58 Sail presents an exceptional opportunity to acquire a privately owned luxury catamaran, perfectly suited for family cruising or a premium charter operation.

With her impressive 9.1 m (30 ft) beam , she offers outstanding stability, generous living spaces, and excellent offshore performance. The spacious interior accommodates up to eight guests in four en-suite cabins, including a generous owner's suite, while the bright saloon and partially open galley create a welcoming, sociable atmosphere. Elegant matte wood finishes and crisp white upholstery give the interior a timeless, contemporary feel.

Unlike many yachts of this size, she has never been chartered and has remained with her original owner since new. Used extensively for private Mediterranean cruising, she has been maintained to an exceptional standard. In 2021, the hull received premium paint protection film (PPF) and was refinished in a sophisticated dark blue, enhancing both her appearance and long-term protection.

With her spacious layout, proven cruising capabilities, and sought-after Sunreef pedigree, this yacht also offers excellent charter potential for owners wishing to generate income when not in private use.

Ready for immediate delivery, this Sunreef 58 is presented in excellent condition and offers an outstanding combination of luxury, performance, and value—ready to be enjoyed from day one.
