Wicked Play

LOCATION

Sibenik, Sibenik-Knin, Croatia

The latest hull in the acclaimed Sunseeker 115 Sport Yacht series, WICKED PLAY boasts sleek exterior lines and a striking Super Jet Black hull, complemented by an elegant interior in glossy American walnut. Impeccably maintained by the same dedicated crew since her launch, she exemplifies luxury and performance at every turn. With an extensive refit completed in 2022, this yacht has always been privately used and holds excellent potential for charters, being a proven successful model in the market. Competitively priced and VAT paid, she represents an outstanding opportunity.

Accommodating up to 11 guests in total comfort, WICKED PLAY offers five spacious cabins, including an impressive on-deck full-beam master suite. The twin cabins are thoughtfully designed with versatile beds that can be pushed together to create doubles, ensuring flexible sleeping arrangements ideal for families or larger groups.

WICKED PLAY underwent an extensive interior and exterior refit in 2022, enhancing both her aesthetic appeal and technological features. The refit included a new hull paint, along with refreshed exterior cushions, chairs, and sofas for an inviting atmosphere. Inside, new carpets and chairs were installed, and a state-of-the-art Marantz and Steinway & Sons entertainment system was added, providing an exceptional audio experience throughout. A self-playing Wessell, Nickel & Gross piano graces the main salon, adding a touch of sophistication, while a disco lighting system on the flybridge infuses energy into evening gatherings. Additional features include a Starlink system for seamless connectivity and a wine cellar to enhance the onboard hospitality experience.

The yacht boasts expansive exterior decks, ideal for sunbathing, socializing, or simply taking in the views. The beach club provides easy access to the water, making it perfect for swimming or water sports. Zero-speed stabilizers enhance comfort at anchor, ensuring a smooth and relaxing experience in any setting. Large windows throughout and fold down balconies in the main salon flood the interior with natural light, creating an open and airy environment that seamlessly blends indoor luxury with the surrounding seascape.
