ABOUT

# Sunseeker Manhattan 68

LOCATION

Istanbul, Istanbul, Turkey

This 2020 Sunseeker Manhattan 68 is offered for sale in Turkey and is ready for her next owner. She combines a 21.2 m flybridge layout with four cabins for eight guests, a full-beam master suite, a generous main deck saloon and a large open-air flybridge arranged for dining and relaxation.

The Manhattan 68 is one of Sunseeker's most successful flybridge models, known for bringing sporty handling, panoramic glazing and family-friendly volume into a yacht that remains easy to use for private cruising.

This particular yacht is powered by twin MAN V8 1200 hp engines with approximately 1,060 hours. Her specification includes a hydraulic telescopic passerelle, stern thruster with proportional joystick, hydraulic stern storage locker, teak decks, aft mooring winches, LED deck lighting, a hardtop flybridge with electric sliding centre section and aft retractable awning, plus extensive interior and exterior entertainment systems.

Comfort and autonomy are supported by European-spec air conditioning, a fully fitted crew cabin, Cummins Onan 27 kW generator, HRO Seafari 110 l/h watermaker, upgraded black water tank, washer-dryer, dishwasher, wine cooler, flybridge grill and drinks cooler. Two Quick MC2X 16 gyro stabilizers, Lumishore underwater lights, a Williams SportJet 345 tender and Seabob F5 S add practical value for Mediterranean cruising.
