Comment

Built in 2004 and refitted in 2023, this is a 25.15 m Sunseeker 82 combining strong performance with proven British design.

Her 2023 works included a full hull repaint and polish, new cockpit and swim-platform teak, renewed carpets, re-upholstered leather seating, updated ceilings, and refreshed interior varnish.

The yacht is mechanically well-kept, though interior finishing may benefit from further personalization and soft-goods renewal.

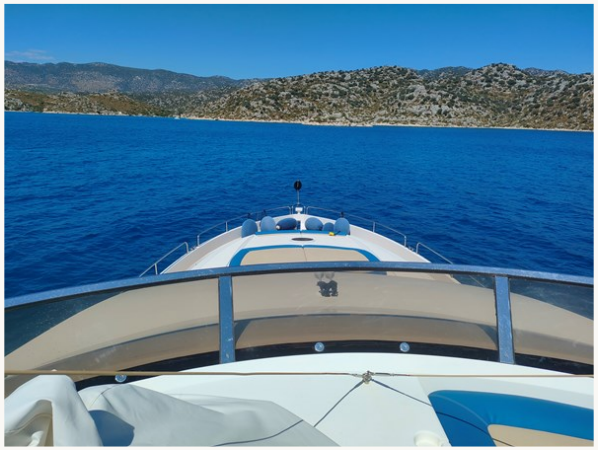

Recently refitted and mechanically sound, this Sunseeker 82 Flybridge is a solid platform for private cruising or charter, offered at fair price and lying in Kaş, Türkiye.

For buyers looking at well-kept flybridge motor yachts in this size range, the Sunseeker 82 is naturally compared with models such as the Princess 82 / 25M, Azimut 80, Ferretti 810, Sanlorenzo SL82, Riva 85 Opera, Canados 80, Maiora 24 and Aicon 85.

Compared with many yachts of the same generation, this particular 2004 Sunseeker 82 stands out through its exceptionally well-maintained condition, classic Sunseeker styling and substantial interior and exterior volumes. It can therefore be especially interesting for buyers who value condition and upkeep more than simply choosing the newest year available.
