ABOUT

Sunseeker 86 Yacht

LOCATION

Hong Kong, Hong Kong SAR, China

This 2009 Sunseeker 86 is currently berthed in Hong Kong asking for USD 1,850,000.00 (~ HKD 14.4mil).

This flybridge motor yacht is fitted with two MTU engines with around 3,300 hours on the clock (as of Q4 2023) and two 28kW KOHLER generators.

This Sunseeker 86 yacht is very well managed by the owner, with support from a professional yacht management company. The yacht's hull is painted with a dark navy-blue colour, which is an iconic colour that has been widely chosen by the Sunseeker owners. This yacht has 4 cabins in total, with 1 Master, 1 VIP, and 2 Guest rooms. The 2 crew cabins, with 4 berths in total, are located next to the engine room.

The interior is fitted in dark oak joinery giving it that glamorous, classic British look and feel. There are plenty of sofas inside the saloon and a big 8-person dining table on the stbd side of the saloon for guests to enjoy many enjoyable meals at sea.

The flybridge area of the yacht comes with a lot of fixed seating, while the aft flybridge adopts a loose-furniture setup, so the owner can be creative and adaptative with that area, for example using either bean bags or lounge chairs.

An additional point of it, this yacht comes with a Hong Kong charter license. She is suitable for buyers who would like to put the yacht on the charter market and lease the yacht out when not in use. A great example of this popular yacht is available immediately. For viewings and further information, please contact us.
