ABOUT

La More

LOCATION

Cancun, Quintana Roo, Mexico

LA MORE is a well-maintained example of the popular Sunseeker Manhattan 56, combining elegant styling, practical layout, and strong performance. Built in 2003 by the renowned British shipyard Sunseeker, this motor yacht offers the perfect balance between luxury cruising and family comfort.

Measuring 61’2” (18.64m) in length, LA MORE features the classic three stateroom, two-head layout that made the Manhattan series one of Sunseeker’s most successful models. The interior is finished in high-gloss cherry wood, creating a warm and sophisticated atmosphere throughout the salon and accommodation areas.

The yacht’s spacious aft deck is ideal for outdoor dining and entertaining, while wide walkaround side decks provide safe and easy movement around the vessel. Above, the large flybridge offers excellent visibility and ample seating, making it the perfect place to relax or host guests while underway or at anchor. A hydraulic swim platform provides convenient water access and makes launching water toys or a tender effortless.

Powered by twin Caterpillar C12 700hp engines, LA MORE delivers impressive open-water performance with the reliability and efficiency that Caterpillar engines are known for. With her Category B offshore rating, she is well suited for extended cruising in comfort and safety.

Full specifications
