The 108 Predator is the finest example of large express boats and this one is no exception. Unlike most 108's with triple engines, it's been crafted with the more desirable twins and has no problem reaching speeds of up to 35 knots.

Impeccably maintained by a very knowledgeable owner who has owned numerous large Sunseekers. The owner has spared no expense in maintaining this vessel as you can see in the Recent Updates and Services section below. Turn Key and ready to take you on a spectacular adventure at a moment's notice in an exciting and exclusive style.

Accommodating 8 guests in 4 cabins with (1) King, (1) Queen, and (2) Doubles, all en-suite, this 108 Predator is based around the standard specification. The list of optional extras, however, are second to none and make this particular 108 Predator one of the highest spec'd boats to come out of the Sunseeker International shipyard.
