LOCATION

Miami Beach, Florida, United States

One of the cleanest, most turn-key, well equipped, and ready to go 57 Predators available on the market in the Americas. Over $100k on extras and services spent in the passed several months alone. Several of the added extras include: New 5 full year extended Volvo warranties started on the engines 4/20, Yacht Controller along with Yacht Controller joystick added 2/20 , stern thruster (to go along with the factory installed bow thruster), full services on the engines and generator completed 5/20, micron bottom paint, zincs and prop speed servicing as well 5/20.

One of the most popular models to be produced by Sunseeker in the past decade, the Predator 57 is sporty, sleek and stunningly crafted to perfectly balance style with practicality. The saloon door sits on hydraulic rams and can be hidden completely in the deck to allow the full use of the large entertainment space seamlessly connecting the interior to the exterior of the vessel. The unique open plan and flexible design of the Predator 57 continues with a fully opening hardtop roof, also a moulded aft cockpit with a large L-shaped seating arrangement and wet bar. Fine and thoughtful design naturally continues to the exterior, with sleek yet oversized mullion-free hull windows to provide light-filled interiors. The Predator 57 cuts a sharp, impressive figure on the open water. Truly a yacht designed for perfect cruising.

**Jet ski and tender not included in purchase price
