ABOUT

Gems II

LOCATION

Antibes, Provence-Alpes-Cote-d'Azur, France

Built by Tamsen Yachts in 2009, a distinguished Turkish shipard, M/Y GEMS II has been meticulously maintained since its inception until 2024, undergoing continuous maintenance and refit works both inside and out. In 2022, the yacht was equipped with new gyroscopic 0 speed stabilizers, significantly enhancing onboard comfort. In 2024, the 15 year RINA was due but unfortunately was never realised, the consequences of which were that GEMS II was not able to perform ay charters in 2024.

Stepping on board Gems II is an experience in itself; guests are immediately enveloped in a modern and inviting atmosphere, where they'll feel instantly at ease, with subtle touches of luxury enhancing the overall ambiance. Her masculine lines and grey hull turn heads in ports, cleverly concealing a beam of 8.6 meters, which creates a voluminous hull with a generous amount of space below deck.

GEMS II is now offered for sale in her current condition with a certain amount of work to be done by the buyer. The work mainly consists of the RINA requests to get GEMS II back in class.
