ABOUT

S7

LOCATION

Ventimiglia, Liguria, Italy

Delivered by Tansu in 2016, S7 was designed with guest comfort at its core. Advanced electric stabilisers and thrusters, together with a sophisticated hydraulic system engineered to minimise noise and vibration, ensure an exceptionally smooth and quiet cruising experience.

S7 truly stands out through her expansive outdoor living spaces. Her striking explorer-style profile is complemented by an extended aft deck, offering the perfect setting for sunbathing, launching water toys or enjoying outdoor workouts. Above, the generous sundeck features a central bar with panoramic views, a retractable roof for flexible shade, and oversized sun pads designed for all-day relaxation.

On the main deck, guests can enjoy shaded alfresco dining around large mirrored tables with ample lounge seating. Aft, the signature explorer-style deck provides an impressive expanse of open space, offering endless possibilities for entertaining, relaxing or hosting waterside activities.

Inside, S7 continues to impress with a minimalist aesthetic that feels bright, spacious and effortlessly elegant. The expansive main saloon is framed by large windows that flood the interior with natural light while showcasing uninterrupted sea views. Forward, a formal dining area is complemented by a dedicated wine fridge, creating an inviting space for entertaining.

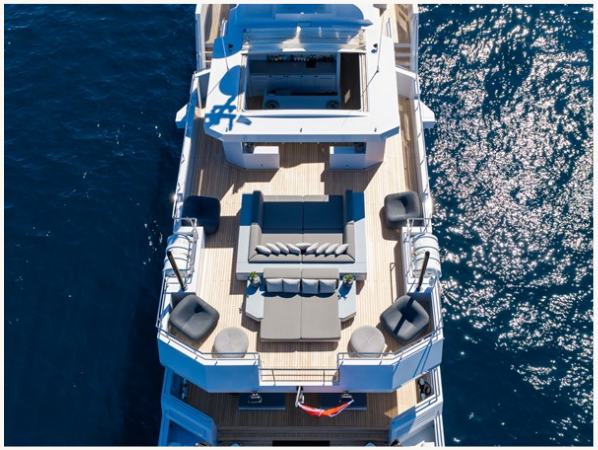

Her refit in 2025 saw the addition of 2 pullman beds on the lower deck, increasing her accommodation to 12 guests in 5 en-suite cabins. The full-beam master suite is a standout, featuring a private office, generous dressing space, and luxurious his-and-hers bathrooms. Throughout the yacht, clean lines, refined finishes and an emphasis on space create a calm, contemporary atmosphere.
