More Photos to Come

The Nauti Boy is very clean 2004 5200 Sovran Salon and since new was a fresh water kept boat until current owner purchased her in July 2020, when she was taken out of the lake and brought to South Florida. Since the purchase in July 2020 the “Nauti Boy” has had over $60K in upgrades and has had maintenance completed by a professional captain as well as a monthly/quarterly detailing schedule.

Built on the same platform as the very successful 5200 Express, the Tiara Sovran 5200 Salon greatly expands interior livable space without sacrificing any cockpit area. The Tiara 5200 Salon features a completely enclosed command bridge / helm to create additional living space. Cruising enthusiasts will enjoy the comfort of the portside Flex Steel leather couch, with dual inclining seats, as well as the finished natural wood cabinetry and solid teak flooring. The wood cabinetry adjacent to the couch holds the wetbar, complete with sink, prep area and refrigerator. Also hidden away in the cabinet is a 22-inch flat panel TV that rises at the push of a button. Theater quality sound and standard DVD system complete this entertainment / rec center. The 5200 Salon offers spectacular views through the large windows that enclose the area. And, not only is the salon climate controlled, passengers can also enjoy the sun in their face, and the wind in their hair, all at the push of a button with a large, electrically controlled, tinted sunroof, drop down aft window, and windshield with opening center section. The lower cockpit retains all the features of the 52 Express: molded-in aft facing seat (with engine room access); molded-in forward facing bench seat; multi-purpose concealed custom cockpit tables; transom stowage compartment; and fixed 60-inch swim platform. Two interior floor plans are available and the Nauti Boy features the plan “A” layout with the spacious two stateroom layout,

Resent upgrades with receipt
