TURN KEY AND SERIOUSLY FOR SALE!

Jonny's Quest has been well maintained and you will be overwhelmed by the numerous upgrades that have been made to this vessel.

With a 2 stateroom layout, huge salon, and galley aft, Jonny's Quest is the preferred configuration Tiara built in 1999. The forward Master Stateroom has a center island berth with a 20" x 20" escape hatch overhead. Just aft of the Master is a hanging locker to starboard with an enclosed head to port with separate shower. The Salon is aft of the Master which has port and starboard settees. In the aft part of the cabin, the galley is to starboard and the guest state room with convertible twin beds and head are to starboard. Between the Galley and Guest Stateroom is access to the cabin with only five steps up to helm deck. Helm is to starboard, with companion seating to port. Two steps lead down to the cockpit area which has seating and port and starboard transom doors leading out to the large swim platform which also holds a dinghy. The TV's and receivers are 12 volt so they run without the generator so you can watch TV without the hum of the generator in the background when it is cool and air conditioning is not needed. Jonny's Quest is equipped to provide the most comfortable accommodations for your perfect weekend get away!.
