ABOUT

Bad Company

LOCATION

Fort Lauderdale, Florida, United States

Introducing the iconic 144' (43.89m) Trinity BAD COMPANY , a proven sportfishing and cruising yacht that perfectly blends luxury, performance, and long-range capability. Originally built by Trinity Yachts and professionally extended to 144', BAD COMPANY underwent an extensive refit that included new 2016 MTU 12V4000 engines, 2021 Northern Lights generators, updated stabilization systems, and numerous mechanical upgrades. She cruises comfortably at 23 knots with a top speed of 26 knots making her an exceptional choice for owners seeking both adventure and speed

A true blue water yacht, she has extensively cruised both the Pacific and Atlantic Oceans as well as the Mediterranean and Red Seas, and has completed multiple canal crossings. She has also served as the mothership for world-class sportfishing expeditions, landing numerous billfish from her own cockpit. In more recent years, she has enjoyed a more elegant schedule, spending her time cruising the Caribbean and Bahamas while residing in South Florida.

Designed for entertaining and extended cruising, she accommodates up to 10 guests in 5 luxurious staterooms, highlighted by a full-beam owner's suite. Spacious interior and exterior living areas include a skylounge, expansive aft deck, flybridge with Jacuzzi, and a tournament-ready sportfishing cockpit.

BAD COMPANY presents an outstanding opportunity to own one of Trinity's most recognizable sportfish-style motor yachts combining luxury, legendary sportfishing capability, and true ocean-going performance in one exceptional package. She is a testament to continued excellent care and maintenance.

*This vessel is co-listed with Superyacht Sales and Charter
