ABOUT

Miss Christine

LOCATION

Fort Lauderdale, Florida, United States

MAJOR $2M PRICE REDUCTION! Not only is she extremely well designed, but she was built to incredibly high specifications, commissioned by an owner who has been in yachting for many years and has owned multiple yachts. Trinity Yachts and Evan Marshall were able to not only meet but exceed expectations. As important as the design and finish, the owner has maintained her to the highest of standards with constant upgrades.

The vessel is in process of completing her 20-year ABS class survey 10/26. She received a full superstructure paint job in 2023. In 2024, new Kohler 99KW generators installed, all A/C chillers replaced with custom computerized system, new Spot Zero watermakers, new teak decks on sundeck, Portuguese and forward decks, and exterior furnishings plus much more.

This vessel is the perfect yacht for charters and for families with children. The yacht's tenders and toys along with her impressive list of amenities offers owners and guests an enjoyable time aboard.
