ABOUT

Mako Shark

LOCATION

Fort Lauderdale, Florida, United States

Collaboration

The Mako Shark is the product of a distinguished collaboration between renowned designer Rıza Tansu and the accomplished shipbuilders at Tufan and Brothers Yachting Company. This partnership fuses avant-garde aesthetic sensibility with technical mastery, resulting in a vessel that seamlessly marries visual impact with exceptional build quality and performance standards.

Exterior Design

The Mako Shark showcases a bold, military-inspired exterior defined by angular lines and a commanding silhouette—hallmarks of Rıza Tansu's iconic and serial award winning design language. Its assertive presence is both purposeful and visually arresting, reflecting the yacht's expedition-ready ethos.

Interior Layout

The interior of the Mako Shark is conceived to balance refined luxury with functionality. Expansive living areas, meticulously crafted furnishings, and a thoughtfully considered layout create an ambiance of understated elegance and comfort, ideal for extended cruising.

Performance

The Mako Shark is engineered for transoceanic range and operational versatility. Her design emphasizes stability, endurance, and efficiency, making her exceptionally capable in diverse sea conditions. Her redundant systems allow her owners peace of mind while exploring the farthest corners of the oceans.

Inspiration and Concept

Rooted in the core principles of expedition, elegance, and purpose-driven design, the Mako Shark draws inspiration from its namesake—the agile and powerful mako shark. This concept is expressed through a sleek, muscular form

and a naval architecture that prioritizes strength, adaptability, and precision handling across a variety of marine environments.
