ABOUT

C&A

LOCATION

Athens, Attica Region, Greece

C&A is a 16.70 m Uniesse 55 flybridge motor yacht, built in Italy in 2003 and designed by Fred Hudson. Twin 800 hp MAN diesels provide a 23-knot cruise and 28-knot maximum speed. She accommodates six guests in three en-suite cabins, plus one crew member.

Interior and exterior cushions and carpets were renewed in 2024. In 2026 she received a full repaint back to gelcoat, including antifouling, together with extensive machinery and systems work including a new stern thruster, 14 new batteries, new shaft seals and rebuilt air-conditioning chillers. Two generators, bow and stern thrusters, a watermaker and a tender-lifting passerelle complement her equipment.

The 2026 works report notes two outstanding items: completion of the galley bilge-pump installation and investigation of main-generator leaks. See the detailed refit history.

Lying in Greece. Asking price €320,000, EU VAT paid.
