VAN DER HEIJDEN SUPERIOR 2000 "TIMELESS"

2009 | 19.25 m (63 ft) | Istanbul, Türkiye | €640,000

Dutch steel construction. Offshore capability. Mediterranean comfort.

TIMELESS is a distinctive Dutch-built motor yacht combining the strength and seaworthiness of a traditional steel vessel with the performance and lifestyle of a Mediterranean cruiser.

Built in 2009, she offers an unusual combination of CE Category A certification, twin 825 HP IVECO diesel engines, fin stabilizers, versatile cruising performance and a particularly practical four-cabin layout.

ADDITIONAL BENEFIT: Up to six months of prepaid berthing in an Istanbul marina, potentially transferable to the new owner.

FIVE REASONS TO CONSIDER TIMELESS

• DUTCH-BUILT STEEL CONSTRUCTION

TIMELESS features a robust steel hull, aluminium superstructure and teak decks.

Her CE Design Category A (Ocean) certification is supported by the original manufacturer's Declaration of Conformity.

Fin stabilizers, direct shaft drives and hydraulic bow and stern thrusters contribute to comfortable cruising and precise manoeuvring.

• TWO CRUISING STYLES IN ONE YACHT

Unlike many traditional Dutch displacement yachts, TIMELESS offers the flexibility of economical low-speed cruising and higher-speed passages.

Her twin 825 HP IVECO engines deliver a combined 1,650 HP, with a reported maximum speed of approximately 21–22 knots .

The gearboxes are equipped with trolling valves, allowing additional control at low speeds.

Whether enjoying an unhurried coastal passage or covering greater distances, TIMELESS offers welcome flexibility.

• MEDITERRANEAN-STYLE MAIN DECK

One of TIMELESS's most attractive features is her practical indoor-outdoor layout.

The aft deck and main saloon are conveniently positioned on the same level, without the multiple steps often found aboard traditional Dutch steel yachts.

Wide-opening doors connect the two areas, creating an inviting space for entertaining and relaxing.

The spacious flybridge offers an additional helm station, comfortable seating and an outdoor dining area.

• PRIVACY FOR OWNERS AND GUESTS

TIMELESS accommodates up to eight guests in four cabins.

The spacious aft owner's suite benefits from a large aft-facing window and independent access. An additional cabin nearby is particularly convenient for children or family members.

Two further guest cabins are located forward and accessed via a separate staircase.

This arrangement provides a valuable degree of privacy during extended cruising.

• OVER €270,000 IN RECENT MAINTENANCE AND UPGRADES

More than €270,000 was invested in major technical works, maintenance and improvements during 2022–2024.

Significant works included:

• IVECO engine and generator servicing and repairs.

• Stabilizer overhaul.

• Replacement and upgrading of the air-conditioning system.

• Exhaust-system repairs and modifications.

• Navigation and electrical-system upgrades.

• Fuel-system maintenance and improvements.

• Hydraulic-system servicing.

• Interior refurbishment, flooring and hull maintenance.

A detailed record of the works is available upon request.

HOW DOES TIMELESS COMPARE?

Buyers considering Dutch-built steel motor yachts such as the Van der Valk Explorer 20M, Van der Valk Continental, Mulder 59, Linssen Grand Sturdy 500 or Privateer Trawler 65 may find TIMELESS an interesting alternative. Her versatile cruising concept may also appeal to those exploring the Elling E6, Azimut Magellano 66 or Sirena 58 .

While these yachts differ in construction, performance and layout, they appeal to owners seeking comfortable extended cruising, generous accommodation and practical onboard living.

TIMELESS distinguishes herself through her steel construction, CE Category A certification, twin 825 HP engines and Mediterranean-style layout.

VIEWINGS AND SEA TRIALS IN ISTANBUL

TIMELESS is available for private viewings and sea trials in Istanbul, Türkiye, by prior arrangement.

We welcome prospective buyers to inspect her on the water and experience her handling, performance and onboard comfort.

Further photographs, video material, deck plans and detailed maintenance records are available upon request.

Contact Boutique.Yachts to arrange your private viewing.

Alternative payment arrangements, including major cryptocurrencies, may be considered subject to the seller's approval and applicable requirements.
