ABOUT

121' Van Der Valk Pending

New Build. The 37M Continental Trawler is one of the latest additions to our range of yachts. It is a classical and timeless design and in the design we have taken special care to ensure the best possible sailing capabilities. It is an original round-bilged design ensuring excellent sailing capabilities. The ship is extra heavy with an underwater ship which is built with 8 mm steel sheets. This to add extra stability and comfort to the ship. The round bilged hull, which gives maximum fuel efficiency, in combination with the large fuel tank give this ship a very long range.

LOCATION

Fort Lauderdale, Florida, United States
